

Metro-Atlanta HIV/AIDS/STI Community Leadership Coalition

MISSION

A network of Executive Directors and community leaders working in a cohesive frame work to address the gaps in health services in the areas of HIV/AIDS/STIs, that have disproportionately impacted populations in the 5 Metro Atlanta regions. To build rapport, trust, and a mutual exchange of information, ideas and resources to enhance services delivery to our constituent populations.

Fulton, Clayton, Cobb, DeKalb, Gwinnett

VISION

To stop the spread of new infections of HIV and STIs in the 5 Metro Atlanta regions.

Renewing our focus and purpose

Thursday, June 25
6 P.M. – 7 P.M.

Hey Guys! Hope all is well with you. I want to thank all that came out to our March meeting. It was very productive and informative. We looked at several known gaps in medical services and came up with some solutions to address them. Special thanks to Thurya Wingate, Executive Director of DeKalb Prevention Alliance for hosting the meeting at her agency. In our continued effort to introduce each member and their organization to the coalition, the Emory Hope Clinic will host our next meeting in June. I'm asking everyone to be there. We are at a critical time in our city that calls for the cohesiveness and sharing of knowledge & resources. Let us all renew our focus and purpose of the coalition. I'm in prayer that our vision will come to fruition. Dinner will be catered. Address is listed below. Hope to see you there!

Ronnie E. Bass
Coalition Chair

Location of next meeting:

The Hope Clinic of the Emory Vaccine Center

**603 Church Street
Decatur, GA 30030**

Contact person: Paula Frew - 678-591-3494
